

Two countries, one goal, joint success!

INVITATION

We have the pleasure to invite You to participate in 29-30 May 2014, beginning with 13:30, at the workshop organized as part of the project:

„Hungarian-Romanian Research Platform for Smart-Materials Research Project Support”, cod HURO/1101/191/2.2.1, Hungarian-Romanian Cross-border Co-operation Programme 2007-2013.

The project „Hungarian-Romanian Research Platform for Smart-Materials Research Project Support”, financed by Hungarian-Romanian Cross-border Co-operation Programme 2007-2013, ERDF, completed with national co-financing from the two member countries – Hungary and Romania – has as general objective the consolidation of cross-border relations in the field of scientific research of new materials with controllable properties (smart materials) using innovative technologies. Total budget of the project is 1195121.00 EUR.

We would be honored by your presence. Please confirm Your participation or the impossibility to participate on the email address: vtiberiu@uoradea.ro or at Tel: 0745697311.

The workshop will be held at: Hotel Continental.

Please find attached the program of the workshop.

Sincerely Yours,

Conf.dr.ing. Tiberiu Vesselenyi
